

The Prayer of Submission

Dear Lord God, You are the creator of the whole universe. The man you created disobeyed you and faced eternal death. But loving Father, your only begotten Son, Jesus, suffered and died on the cross to pay the penalty of sins of the whole mankind. Three days later, Jesus rose from the dead, defeating death. Furthermore, Lord, through the blood of Jesus, you defeated the evil and all spirits of darkness in the world. Therefore, Lord, I believe that any person who believes in Jesus has the freedom from sin, from eternal death, and all evil forces.

Dear Lord Jesus, now I'll come to your feet. I have been born with a infinite sinful nature and have committed many sins since my birth. As I grew older, I have sinned against you and against fellow men, in thought, word and deed. Please forgive me dear Lord Jesus.

(Truly confess the sins that you have committed in your life before the Lord Jesus).

.....

Lord Jesus, it is difficult for me to forgive others who have done wrong to me. I still hate them. Dear Lord Jesus, forgive them for all the wrongs that they have done to me.

(Honestly tell Jesus that you will forgive the sins they have committed against you)

.....

Dear Lord Jesus, thank you for forgiving me of all my sins. You are my Saviour and God. Please help me, not to sin anymore. Welcome me as your child. Protect me and guide me.

I ask all this in the name of Jesus. Amen

The Prayer of Hope

Dear Lord Jesus,

I come to you because I know that you love me. You are alive and govern the whole universe. You came to this world and gave your life on the cross to redeem me from eternal death. I believe that you are alive and you are my Lord and Saviour who gives me eternal life. I believe that you have defeated all evil forces that could harm me. I believe still you deliver me from sickness, disease, sorrow, anxiety, disaster and all weaknesses and give me peace.

[Dear Jesus,

Now I surrender to you my issue that hurts me

.....
(hand over your problem to the Lord)].

Thank you Lord, because you have now accepted my request. Now I strongly believe that you will give me comfort and peace of mind. Thank you Lord, because you will answer my prayer in a good way, because your word says that

"You give justice to all who are treated unfairly."

(Ps. 103:6).

"Dear Lord, give me strength and courage to accept you as my Lord and Saviour";.

Thank you Jesus.....

Thank you Jesus.....

Thank you Jesus.....

Amen.
